Report to Shareholders

To the Shareholders of Los Andes Copper Ltd.

During 2015 the Los Andes Copper Ltd. geological team re-logged the entire drill core at the Vizcachitas Project. This detailed review showed that the historical logging and geological model had not properly identified the importance of the higher grade early diorite porphyry and hydrothermal breccias especially in the centre of the project. A new geological model was prepared.

From October 2015 through to February 2016 Los Andes Copper Ltd. drilled a total of eight diamond drill holes totalling 3609.65 metres of drilling to test this model. This drilling demonstrated that:

- The central higher grade core extends over an area of at least 1,400 metres north-south and 700 metres east-west.
- The project is still open to the east, west, north and at depth.
- The presence of silver mineralisation in the range of 0.8 g/t to 2 g/t is confirmed.
- The drilling intersected long sequences of higher Cu grade mineralization with significant Mo and Ag credits.

The results of this drill program are being incorporated into an updated geological model.

On September 10, 2015, Los Andes announced another capital increase for approximately \$2.3 million, including a \$2.15 million private placement of shares and approximately \$145,000 of capitalization of debt obligations. On September 28, 2015, the Company closed the first tranche by issuing 6,018,545 shares at \$0.22 per share for gross proceeds of \$1,324,080. On November 26, 2015 Los Andes Copper Ltd. closed the second tranche of the private placement by issuing 1,388,950 shares at \$0.22 per share for gross proceeds of \$305,569. The combined capital raising of the two tranches was a \$1,629,649.

Vizcachitas is a significant copper resource, one of a number of undeveloped copper projects that will be needed to help meet the projected global copper demand growth resulting from continued industrialization and urbanization over the next decades. We believe that Vizcachitas has strong advantages over other currently undeveloped projects: its location in a stable, mining-friendly country along a prolific copper belt, and access to excellent infrastructure. Vizcachitas is also one of only a few significant copper projects currently not controlled by a major mining company or by a government.

I would like to thank the management and Board of Directors for their continued guidance and you, the shareholders, for your continued support.

INFORMATION CIRCULAR

(Containing information as at October 13, 2016)

GENERAL PROXY INFORMATION

Solicitation of Proxies

This information circular (the "*Information Circular*") is furnished in connection with the solicitation of proxies (each a "*Proxy*") by the management of Los Andes Copper Ltd. (the "*Company*") for use at the 2016 Annual General Meeting (the "*Meeting*") of shareholders of the Company to be held at the time and place and for the purposes set out in the Notice of Meeting distributed with this Information Circular. No director of the Company has informed management that he intends to oppose any action intended to be taken by management at the Meeting.

The solicitation of Proxies will be primarily by mail, but Proxies may be solicited personally or by telephone by Directors, Officers and regular employees of the Company at nominal cost. In accordance with National Instrument 54-101 of the Canadian Securities Administrators ("*National Instrument 54-101*"), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares in the capital of the Company (the "*Shares*") held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may by means of a Proxy appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of Proxy are Directors and/or Officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by striking out the names of management's nominees and inserting such person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.** Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's Shares are to be voted. In any case, the form of Proxy should be dated and executed by the shareholder or his/her attorney authorized in writing, or if the shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized.

A Proxy will not be valid for the Meeting or any adjournment thereof unless the completed form of Proxy is delivered, by mail, by hand or by fax, to Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 Fax number: (within North America) 1-866-249-7775 (outside North America) 416-263-9524, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or the adjournment thereof at which the Proxy is to be used. A Shareholder may also follow the instructions on the form of proxy to vote by telephone or internet.

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a shareholder who has given a Proxy may revoke it by either executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or the shareholder's authorized attorney in writing; or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized; and by depositing the Proxy bearing a later date with Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a Proxy may be revoked by the shareholder personally attending the Meeting and voting the shareholder's shares. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

Exercise of discretion

On a poll, the nominees named in the accompanying form of Proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the **shareholder on any ballot that may be called for. If a shareholder specifies a choice with respect to any matter to be acted upon, such shareholder's shares will be voted accordingly. The Proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of Directors, any amendment to or variation of any matter identified therein and any other matter that properly comes before the Meeting.**

In respect of a matter for which a choice is not specified or where both choices have been specified in the Proxy, the nominees named in the accompanying form of Proxy will vote Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting each nominee in the accompanying form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

Proxy Voting Options

Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Submitting a Proxy by mail, internet voting or by hand delivery are the only methods by which a shareholder may appoint a person as Proxy other than a Director or officer of the Company named on the form of Proxy.

Registered shareholders electing to submit a Proxy must complete, date and sign the form of Proxy. It must then be delivered by mail or by hand to the Company's transfer agent, Computershare Trust Company of Canada, Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or the adjournment thereof. A Shareholder may also follow the instructions on the form of proxy to vote by telephone or internet.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular, collectively, as "*Beneficial Shareholders*") should note that only Proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited; and which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of

proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("*Broadridge*") in the United States and in Canada. Broadridge typically applies a special sticker to proxy forms, mails those forms to the Beneficial Shareholders and requests the Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be **represented at the Meeting. A Beneficial Shareholder receiving a Broadridge proxy cannot use that proxy to vote Shares directly at the Meeting. That proxy must be returned to Broadridge well in advance of the Meeting in order to have the Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal Proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No Directors or executive officers of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, or any proposed nominee for election as a Director of the Company, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of Directors, the appointment of auditors, the approval of the Company's Stock Option Plan and as may be set out herein.

RECORD DATE AND VOTING SECURITIES

The Company has set the close of business on October 13, 2016 as the record date (the "*Record Date*") for determination of persons entitled to receive notice of the Meeting. Only the registered holders of Shares, and those Beneficial Shareholders entitled to receive notice pursuant to National Instrument 54-101 through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his or her Shares and the transferee, upon producing properly endorsed certificates evidencing such Shares or otherwise establishing that he or she owns such Shares, requests at least 10 calendar days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such Shares at the Meeting.

PRINCIPAL SHAREHOLDERS AND PERSONS SOLICITING PROXIES

The Company is listed on the TSX Venture Exchange and is authorized to issue an unlimited number of Shares. As of the date hereof, 218,058,136 Shares are issued and outstanding, each carrying the right to one vote. The Company has no other class of voting securities and no group of shareholders has the right to elect a specified number of Directors. There are no cumulative or similar voting rights attached to the Shares.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each common share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at Computershare Investor Services Inc. and will be available at the Meeting. Shareholders represented by proxy holders are not entitled to vote on a show of hands.

To the knowledge of the Directors and executive officers of the Company, only the following shareholder beneficially owns Shares carrying 10% or more of the voting rights attached to any class of voting securities of the Company:

Shareholder Name	Number of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly	Percentage of Outstanding Shares
Turnbrook Mining Ltd.	113,136,144	51.88

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, these nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

The Directors of the Company are elected annually and hold office until the next annual general meeting of the shareholders or until their successors in office are duly elected or appointed. The term of office of each member of the Board of Directors expires at the Meeting.

Shareholder approval will be sought to fix the number of directors of the Company at six (6).

The persons named below will be presented for election at the Meeting as management's nominees and the persons proposed by management as proxyholders in the accompanying form of proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the Articles of the Company or the provisions of the *Business Corporations Act* (British Columbia).

The following table sets out the names of management's nominees for election as a director (a "*proposed director*"), the province or state, as applicable, and country of residence, their principal occupations, the date each first became a director of the Company, and the number of common shares of the Company beneficially owned by each, directly or indirectly, or over which control or direction is exercised, as at the date hereof. Stock Option Plans and Other Incentive Plans

The Board of Directors of the Company has previously adopted the Company's stock option plan effective March 30, 2007, as amended (the "*Plan*"), which is a "rolling" stock option plan pursuant to which a maximum of 10% of the issued and outstanding common shares of the Company are reserved for issuance upon the exercise of incentive stock options ("*Options*"). The purpose of the Plan is to allow the Company to grant Options to directors, officers, employees and consultants of the Company and its subsidiaries or employees of companies providing management or consulting services to the Company or its subsidiaries (each, an "*Eligible Optionee*") as additional compensation, and as an opportunity to participate in the success of the Company. The granting of such Options is intended to align the interests of such persons with that of the shareholders. Options are exercisable over periods of up to five years as determined by the Board of Directors of the Company and are required to have an exercise price no less the greater of \$0.10 and the closing market price of the Shares prevailing on the day preceding the day that the option is granted less a discount of up to 25%, the amount of the discount varying with market price in accordance with the policies of the TSX Venture Exchange (the "*Exchange*").

The Plan contains no vesting requirements, but permits the Board of Directors to specify a vesting schedule in its discretion. The Plan provides that if a change of control, as defined therein, occurs, all Options shall immediately become vested and may thereupon be exercised in whole or in part by the option holder.

In addition, the Plan provides as follows:

- (a) the number of common shares of the Company which may be issued to any one individual pursuant to the exercise of options may not exceed 5% of the issued common shares on a yearly basis;
- (b) the number of common shares of the Company which may be issued to any one consultant pursuant to the exercise of options may not exceed 2% of the issued common shares on a yearly basis;

- (d) if an optionee ceases to be an Eligible Optionee, any options held by such Optionee shall expire no later than 90 days from the date such optionee ceases to be an Eligible Optionee (or 30 days if the optionee is engaged in investor relations activities).

The Plan was last approved by the Company's shareholders at the Company's last annual general meeting held on November 6, 2015. Exchange policy requires that all such rolling stock option plans be approved by shareholders on an annual basis, and consequently the Company is seeking shareholder approval of the Plan at the Meeting.

Employment, Consulting and Management Agreements and External Management Companies

Other than as set out below, the Company does not have a contract with an NEO that provides for termination and change of control benefits.

Pursuant to a contract made as of the 1st day of April, 2007 (the "*Delphis Contract*") between the Company and Delphis Financial Strategies Inc. ("*Delphis*"), a company in respect of which Ms. Aurora Davidson is principal, the Company agreed to pay to Delphis a fee of \$3,000 per month plus applicable taxes. Effective January 1, 2013 the monthly fee paid to Delphis was increased to \$3,500 plus applicable taxes. The Delphis Contract contains termination provisions, which may be summarized as follows:

- a) Delphis may terminate the Delphis Contract by giving notice to the Company at least three months prior to termination;
- b) The Company may terminate the Delphis Contract immediately upon the death of Ms. Davidson or for cause, upon which Delphis is entitled to the prorated portion of its fee through the date of termination and reimbursement for expenses properly incurred prior to the date of termination plus the prorated portion of its fee for an additional period of one month. Cause is defined as existing if:
 - i) Delphis commits a breach of any of the material provisions contained in the Delphis Contract;
 - ii) Delphis is guilty of any misconduct or neglect in the discharge of its duties pursuant to the Delphis Contract;
 - iii) Delphis becomes bankrupt or makes any arrangements or assignments with its creditors; or

- c) The Company may terminate the Delphis Contract in any other circumstance on six months notice to Delphis, provided that if Delphis is terminated or voluntarily resigns for "Good Reason" within 90 days following a "Change in Control", the Company is required to pay to Delphis an amount equal to twelve months payment of the fee then in effect (the "*Control*").

Payment"). "Good Reason" is defined to mean (1) a reduction in the fee, (2) a material reduction in Delphis's responsibilities or duties or (3) a requirement that Delphis relocate its residence from its present location. The Delphis Contract states that a "Change in Control" will be evidenced by the election or appointment of a majority of new directors of the Company or the acquisition by any person or by any person and such person's associates or related bodies corporate, as such terms are defined in the British Columbia Securities Act, and whether directly or indirectly, of shares of the Company which, when added to all other shares of the Company at the time held by such person and such person's associates and related bodies corporate, totals for the first time fifty percent (50%) or more of the outstanding shares of the Company. The Delphis Contract further provides that the Company is not required to make the Control Payment to Delphis if, after a Change in Control, Delphis is offered a reasonably equivalent position with the surviving corporation and does not accept such position.

The Company's subsidiary, Vizcachitas Ltd. ("VL"), and Kasheema International Ltd. ("*Kasheema*"), a company in respect of which Mr. Eduardo Covarrubias ("*Covarrubias*") is principal, entered into a contract as of January 17, 2011 (the "*Kasheema Contract*") which provided for a fee of US \$10,000 plus any applicable taxes per month. The Kasheema Contract was amended as of July 20, 2012 to provide for a fee of US \$15,000 plus any applicable taxes per month, and contains termination provisions which may be summarized as follows:

- a) VL or Kasheema may terminate the Kasheema Contract by giving notice to the other party at least two months prior to termination;
- b) VL may terminate the Kasheema Contract immediately upon the death of Covarrubias or for cause, upon which Kasheema is entitled to reimbursement for expenses properly incurred prior to the date of termination. Cause is defined as existing if:
 - i) Kasheema commits a breach of any of the material provisions contained in the Kasheema Contract;
 - ii) Kasheema is guilty of any misconduct or neglect in the discharge of its duties pursuant to the Kasheema Contract;
 - iii) Kasheema becomes bankrupt or makes any arrangements or assignments with its creditors; or

Oversight and Description of Named Executive Officer and Director Compensation

The Company's Named Executive Officer and director compensation is determined by the Board of Directors as a whole (the "*Board*"). The Board evaluates the consulting fees paid to its Named Executive Officers on a regular basis, and, in such evaluation, compares the fees charged the Named Executive Officers against the rates of other consultants that provide similar services. A peer group is not used to determine compensation.

Other than the compensation disclosed above under "Director and Named Executive Officer Compensation, Excluding Compensation Securities" and "Employment, Consulting and Management Agreements and External Management Companies", no additional compensation was paid to the Named Executive Officers during the year ended September 30, 2015. AUDIT COMMITTEE

Mandate of the Audit Committee

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. The Audit Committee is also responsible for monitoring compliance with applicable laws and regulations and the systems of internal controls. The Audit Committee has the authority to retain special legal, accounting or other consultants to advise the Audit Committee. The Audit Committee may request any Director, Officer or employee of the Company, or the Company's outside counsel or independent auditor, to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Board has adopted an Audit Committee Charter, a full copy of which is attached to this information circular as Schedule "A".

Operation, composition, appointments, compensation and meetings of the Audit Committee

The Audit Committee reports to the Board. The full Board is kept informed of the Audit Committee's activities by a report following each Audit Committee meeting.

The Audit Committee consists of not less than three Directors as determined by the Board. The Company's Audit Committee is presently comprised of Dr. Klaus Zeitler (Chairman), Francisco Covarrubias and Gonzalo Delaveau. Messrs. Delaveau and Covarrubias are independent Directors. Dr. Zeitler is a non-independent director. Messrs. Zeitler, Delaveau and Covarrubias are "financially literate", meaning that they are able to read and understand the Company's financial statements and to understand the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Dr. Zeitler has a PhD in economic planning, and is a member of the Canadian Institute of Mining and Metallurgy and the Prospectors and Developers Association. Dr. Zeitler has financed, built and managed base metal and gold mines worldwide (Europe, Africa, North America, South America, Pacific) with a total investment value of \$4 billion. Dr. Zeitler is actively involved as a director in various base and precious metal companies. Gonzalo Delaveau is a lawyer based in Santiago, Chile who has been involved in the mining and energy industry for a number of years. Mr. Delaveau has advised and participated in several mining and energy transactions including, among others, the acquisition of shares of Los Andes Copper Ltd. by Turnbrook Corporation, and has advised on a number of transactions worldwide involving significant financings and acquisitions by major corporations and financial institutions. Francisco Covarrubias has an MBA from the Melbourne Business School, Australia, and currently is a manager with Activos Financieros ACFIN, a company that manages more than \$11 billion in debt portfolios. He has extensive experience in the financial industry.

Members of the Audit Committee are appointed at a meeting of the Board typically held immediately after the Company's annual shareholders' meeting; provided that any member may be removed or replaced at any time by the Board and shall in any event cease to be a member of the Audit Committee upon ceasing to be a member of the Board. Where a vacancy occurs at any time in the membership of the Audit Committee, it may be filled by the Board.

Audit Committee oversight

At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

Reliance on certain exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of National Instrument 52-110 ("*NI 52-110*"), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110. Because the Company is a "venture company" as defined in NI 52-110, the Company is relying on the exemption in section 6.1 of NI 52-110 from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

External auditors

The Audit Committee, in its Audit Committee Charter, has adopted specific policies and procedures for the engagement of non-audit services.

DeVisser Gray LLP, Chartered Accountants, were the external auditors of the Company responsible for the Company's financial statements for the year ending September 30, 2015.

The following table charts the external auditors' fees for the two financial years ending September 30 of each 2015 and 2014 by category:

Financial Year Ending	Audit Fees ⁽¹⁾	Audit-related Fees ⁽²⁾	Tax Fees ⁽³⁾	All other Fees ⁽⁴⁾

⁽⁴⁾ Aggregate fees billed in each of the last two financial years for products and services provided other than the services reported under the three previous columns.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") requires reporting issuers to disclose the corporate governance practices, on an annual basis, that they have adopted. The Company's approach to corporate governance is set forth below.

Independence of Members of Board

The Company's Board currently consists of six directors, five of whom are independent based upon the tests for independence set forth in NI 52-110. James S. Borland and Trevor Boyd are independent. Klaus Zeitler is not independent as he is the Chairman of the Company and is Chairman of the Company's Audit Committee.

Management Supervision by Board

The size of the Company is such that all the Company's operations are conducted by a small management team, of which the President is also represented on the Board. The Board considers that management is effectively supervised by the directors on an informal basis as the non-management directors are actively and regularly involved in reviewing and supervising the operations of the Company and have regular and full access to management.

Participation of Directors in Other Reporting Issuers

The participation of the Directors in other reporting issuers is described in the table provided under "Election of Directors" in this Information Circular.

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Company's board of directors, committees and copies of the Company's corporate governance policies;
2. access to recent, publicly filed documents of the Company; and
3. access to management.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders. The Board and management work together to ensure that the Company's operations are carried out in an open and ethical manner.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining industry are consulted for possible candidates.

Compensation of Directors and Named Executive Officers

Compensation is paid to the company controlled by the CEO on the basis of a US\$7,500 negotiated monthly retainer. The CFO's management company is paid a monthly retainer of \$3,500. A company director receives a monthly retainer of US\$15,000 and all other directors receive an annual retainer of \$5,000 and are paid an attendance fee of \$500 per meeting.

Board Committees

The Company has no committees other than the Audit Committee.

As the directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of directors, the Board has determined that additional committees are not necessary at this stage of the Company's development.

Approval and Ratification of Rolling 10% Stock Option Plan

The Board of Directors of the Company implemented the Plan effective March 30, 2007, and the Plan was amended by the Board of Directors effective January 4, 2014 and again on December 3, 2013. OTHER MATTERS

Particulars of other matters to be acted upon
